

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

Primvs [Secvndvs]. | — | Lipsiae, | ex bibliopolio Io. Godofr. Mülleri-  
ano CIO IOCCCLXXXVI. 1 vol. folio. Title 1 l.; dedication backed by  
preface, 1 l., pp. 1-20, 1 l. (title of Fasc. II), 21-45, pll. col'd 1-vi, vii-xii.

The work treats extensively of the following birds: *Cotinga rubra*,  
p. 1, pl. 1, fig. 1. *C. cuprea*, p. 5, pl. 1, f. 2. *Gracula nobilis*, p. 7, pl. 2.  
*G. chrysoptera*, p. 10, pl. 3. *Mellisuga coccinea*, p. 14, pl. 4. *Merops*  
*spiza*, p. 16, pl. 5. *Muscicapa ferruginea*, p. 19, pl. 6. *Aquila glaucopsis*,  
p. 21, pl. 7. *Lanius atricapillus*, p. 26, pl. 8.—TROGONUM genus, mono-  
graph of, in Linnæan style, pp. 28-36, treating of: *Trogon hæmorrhoida-*  
*lis*, *T. curucui*, p. 33 (pl. 9); *T. strigilatus*, *T. ferrugineus*, p. 34; *T.*  
*flammeus*, *T. viridis*, p. 35.—*Fringilla iliaca*, p. 37, pl. 10. *Penelope iacu-*  
*pema*, p. 39, pl. 11. *P. leucolophos*, p. 43, pl. 12.

The work consists of two fasciculi, separately full-titled and probably  
issued apart; and the title of Fascicvlvs Secvndvs is literally different  
from that of Fascicvlvs Primvs. But both bear the same date, 1786, and  
are bound as one volume in the copy examined in the library of the  
Zoölogical Society. The pagination and numeration of the plates are con-  
tinuous; so that it is not necessary to cite the work by fasciculi. The  
first 20 pages and 6 plates belong in Fasc. I., the rest in Fasc. II.—ELLIOTT  
COUES, *Washington, D. C.*

**Mandt's Inaugural Dissertation.**—This is a scarce tract, which I have  
never seen cited in full, and which is seldom so cited as to give any satis-  
factory idea of what it may be. The following is the title:

Observations in Histo- | riam Naturalem et Ana- | tomiam comparatam  
in | itinere Groenlandico | factae. | — | Dissertatio | In auguralis | quam  
| consensu et auctoritate | gratiosi medicorum ordinis | in | Universitate  
Literaria Berolinensi | ut | summi in medicina et chirurgia | honores rite  
sibi concedantur | die XXII. M. Iulii A. MDCCCXXII | H. L. Q. S. |  
publice defendet | auctor | Martinus Guilelmus Mandt | Beyenburgensis |  
— | [etc., 4 lines.] | — | Formis Brueschckianis. 1 vol., sm. 8vo., 4 prel. ll.,  
pp. 1-40.

A list of birds occupies pp. 3, 4; and on p. 30 is described *Uria mandtii*,  
Licht., sp. n.—ELLIOTT COUES, *Washington, D. C.*

**Correction.**—In the Auk, Vol. XIII, No. 2, for April, page 176, under  
'Abnormal Plumage in a Pine Grosbeak,' "its width having decreased .20  
of an inch" should read "its width having decreased to .20 of an inch."  
On page 178, the paragraph on the Winter Wren, under 'Three Winter  
Notes from Longwood, Massachusetts,' "and on the 25th shot, I think,  
the same bird" should read "and on the 25th of December shot, I think  
the same bird."—REGINALD HEBER HOWE, JR., *Longwood, Mass.*
